FAMILY/DIVORCE MEDIATION - DVDs

- D503 **An Inside Look at Family Mediation: Working Together through Marital Separation**
(DVD, 138 minutes)
- The DVD tells the story of one family's experience in mediation. Dean and Saya are separating after 17 years of marriage. The whole family including their children, Cara and Dylan, are struggling with the issues facing a family in transition. With their lawyers, they have chosen to mediate their parenting plan, finances, and property division. In the program you will see and hear how the couple, the mediator, and the lawyers work through the mediation process to a satisfactory resolution. The DVD includes a psychologist's interview with one of the children to demonstrate one way in which children can meaningfully participate in the process.
