

MAY 2021 - Emergency Management Webinars

JIBC Emergency Management Division, in partnership with Emergency Management British Columbia, offers free webinars with support of the emergency management community. Two series of webinars are offered: Emergency Management Webinars providing information on current practices as well as community and organization experiences in emergency management; and ESS Community 2 Community Webinars, providing ESS responders with a forum to share their wise practices, challenges, innovations, and lessons learned.

ESS Community 2 Community Webinar #6

Reconciliation in ESS: A Shared Responsibility

Join emergency management practitioners for a webinar about BC's reconciliation declarations and agreements with Indigenous peoples, and how these commitments support community-to-community emergency management and ESS program development. Learn and reflect on wise practices to bring the principles of cultural safety into how we lead ourselves and how we lead in ESS environments.

Presenters: Char Etzerza, Community Member
Michelle Jefferson, Mobile Support Team
Dianne Garner, Nlaka'pamux Health Services Society
Bob Mills, First Nations Health Authority
Kayla Pepper, EMBC

Date: THURSDAY, May 20, 2021 **Time:** 10:00 – 11:30 AM (PDT)

Emergency Management Webinar #43

CDART: Animal and Disaster Management Overview

Using the Sendai Framework, this webinar will look at emergency management of animals by local government. After a brief history of animals and disasters, we will look at each of the four pillars and provide information and guidance that emergency managers can use to develop protocols tailored to their community. Next, we will provide criteria for animal responders and tools to use during response. Finally, we will discuss the services that CDART can provide.

Presenters: Cheryl Rogers, CDART National and Mobile Support Coordinator

Date: WEDNESDAY, May 26, 2021 **Time:** 10:00 – 11:00 AM (PDT)

Access URL: <http://jibc.adobeconnect.com/emseries/>

Note: Access to the webinars will open 15 minutes before the start time, log in using the Guest Access, a username and password are not required once the webinar is open.
